¹We note you withheld a Texas driver's license number and the license's expiration date pursuant to Open Records Decision No. 684 (2009), a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including a Texas driver's license number under section 552.130 of the Government Code, without the necessity of requesting an attorney general decision. However, Open Records Decision No. 684 does not permit an agency to withhold the expiration date of a Texas driver's license without first seeking a decision from this office.
