

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

May 25, 2010

Mr. Adam Falco
Senior Assistant City Attorney
City of College Station
P.O. Box 9960
College Station, Texas 77842

OR2010-07544

Dear Mr. Falco:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 380506.

The College Station Police Department (the "department") received a request for a specified incident report. You claim that the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we must address the department's obligations under the Act. Section 552.301 describes the procedural obligations placed on a governmental body that receives a written request for information it wishes to withhold. Pursuant to section 552.301(b), the governmental body must ask for the attorney general's decision and state the exceptions that apply within ten business days after receiving the request. *See* Gov't Code § 552.301(a), (b). In this instance, you state the department received the request on March 3, 2010; thus, the tenth business day was March 17, 2010. However, the envelope in which you sought a decision from this office was postmarked March 18, 2010. *See id.* § 552.308 (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Consequently, we find the department failed to comply with the requirements of section 552.301 in requesting this decision from this office.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with section 552.301 results in the legal presumption the information is public and must be released. Information presumed public must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ); *see also* Open Records Decision No. 630 (1994). Normally, a compelling reason to withhold information exists where some other source of law makes the information confidential or where third-party interests are at stake. *See* Open Records Decision No. 150 at 2 (1977). You assert the submitted information is excepted under section 552.108. This section, however, is discretionary in nature. It serves only to protect a governmental body's interests, and may be waived; as such, it does not constitute a compelling reason to withhold information for purposes of section 552.302. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions in general), 663 at 5 (1999) (waiver of discretionary exceptions), 177 (1977) (statutory predecessor to section 552.108 subject to waiver). Thus, the submitted information may not be withheld under section 552.108 of the Government Code. We note the submitted information includes information subject to section 552.130 of the Government Code.¹ Section 552.130 can provide a compelling reason to overcome the presumption of openness. Therefore, we will address whether the submitted information must be withheld from public disclosure under this exception.

Section 552.130 of the Government Code provides that information relating to a motor vehicle operator's license or driver's license issued by a Texas agency is excepted from public release. Gov't Code § 552.130(a)(1). We note that the purpose of section 552.130 is to protect the privacy interests of individuals. Because the right of privacy lapses at death, Texas motor vehicle record information that pertains to a deceased individual may not be withheld under section 552.130. *See Moore v. Charles B. Pierce Film Enterprises, Inc.*, 589 S.W.2d 489, 491 (Tex. Civ. App.—Texarkana 1979, writ ref'd n.r.e.) (Texas does not recognize relational or derivative right of privacy); *see also* Attorney General Opinions JM-229 (1984); H-917 (1976); Open Records Decision No. 272 at 1 (1981). The department may not withhold the deceased individual's Texas driver's license number under section 552.130 of the Government Code. However, the department must withhold the living individual's Texas driver's license number we have marked under section 552.130.² As you raise no further exceptions to disclosure, the remaining information must be released.

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

²We note this office recently issued Open Records Decision No. 684 (2009), a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including a Texas driver's license number under section 552.130, without the necessity of requesting an attorney general decision.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Jennifer Burnett
Assistant Attorney General
Open Records Division
