Mr. B. Chase Griffith  
Attorney for Town of Flower Mound

OR2010-07554

Dear Mr. Griffith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 385977.

The Town of Flower Mound (the "town"), which you represent, received a request for information relating to four specified incident numbers. You claim that the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.

Section 552.108 of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state that incident report number 10-005959 is related to a pending criminal investigation. Based on your representation, we conclude that section 552.108(a)(1) is generally applicable to that incident report. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

Section 552.108(a)(2) excepts "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . it

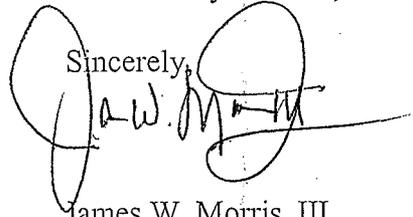

is information that deals with the detection, investigation, or prosecution of crime only in relation to an investigation that did not result in conviction or deferred adjudication[.]” Gov’t Code § 552.108(a)(2). You state that the rest of the submitted incident reports are related to concluded cases that did not result in a conviction or a deferred adjudication. Based on your representation, we conclude that section 552.108(a)(2) is generally applicable to the remaining incident reports.

We note that section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic front-page information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-88. The town must release basic information, including detailed descriptions of the offenses, even if the information does not literally appear on the front page of an offense or arrest report. See Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). The town may withhold the rest of the submitted information under section 552.108 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
