Dear Ms. Sandoval-Walker:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 380499.

The El Paso Police Department (the "department") received a request for certain information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

We note the submitted information consists of a CR-3 accident report completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states that, except as provided by subsection (c) or (e), accident reports are privileged and confidential. *Id.* § 550.065(b). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* Although you seek to withhold the CR-3 accident report under section 552.108 of the Government Code, we note information that is specifically made public by statute may not be withheld from the public under any of the exceptions to public disclosure under the Act. *See, e.g.*, Open Records Decision Nos. 544 (1990), 378 (1983), 161 (1977), 146 (1976). In this instance, the

requestor has provided the department with all three of the required pieces of information. Accordingly, the department must release the submitted CR-3 accident report pursuant to section 550.065(c)(4) of the Transportation Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
