Ms. Michelle L. Villarreal
Assistant City Attorney
City of Waco
P.O. Box 2570

OR2010-07568

Dear Ms. Villarreal:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 385871 (City of Waco Ref. No. LGL-10-562).

The Waco Police Department (the "department") received a request for information pertaining to a specified incident. You claim a portion of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes. You contend that the information you have marked in the submitted CAD record is excepted from disclosure under section 552.101 in conjunction with section 772.318 of the Health and Safety Code. Chapter 772 of the Health and Safety Code relates to local emergency communications districts. Section 772.318 applies to an emergency 9-1-1 district established in accordance with chapter 772, and makes confidential the originating telephone numbers and addresses of 9-1-1 callers that are furnished by a service supplier. *See* Open Records Decision No. 649 (1996). We understand the City of Waco to be part of an

emergency communication district that was established under section 772.318.¹ You have marked a telephone number that the department seeks to withhold under section 772.318. Thus, we find that to the extent the telephone number you have marked is the originating telephone number supplied by a 9-1-1 service supplier, this information must be withheld under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code. However, to the extent the marked information was not supplied by a 9-1-1 service supplier, section 772.318 is not applicable to this information, and it must be released to the requestor.

Next, we note some of the remaining information is subject to section 552.130 of the Government Code.² Section 552.130 excepts from disclosure information that relates to a Texas motor vehicle title or registration issued by an agency of this state. Gov't Code § 552.130(a)(2). Accordingly, the department must withhold the Texas license plate number we have marked in the remaining information under section 552.130 of the Government Code.³

In summary, to the extent the telephone number you have marked in the submitted CAD sheet is the originating telephone number of a 9-1-1 caller supplied by a 9-1-1 service supplier, this information must be withheld under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code. The department must withhold the Texas license plate number we have marked under section 552.130 of the Government Code. The remaining information must be released to the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ¹Section 772.318 applies to an emergency communication district for a county with a population of more than 20,000.

²The Office of the Attorney General will raise a mandatory exception like section 552.130 of the Government Code on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

³We note this office recently issued Open Records Decision No. 684 (2009), a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including Texas license plate numbers under section 552.130 of the Government Code, without the necessity of requesting an attorney general decision.
