Mr. Charles H. Weir  
Assistant City Attorney  
City of San Antonio  
P.O. Box 839966  
San Antonio, Texas 78283-3966

OR2010-07743

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 386605 (COSA File No. 2010-5686).

The City of San Antonio (the "city") received a request for information relating to a specified case number. You state that information relating to this case is the subject of a previous open records letter ruling. You also claim that the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered your arguments and reviewed the information you submitted.

You inform us that the city received a previous request for information relating to this same specified case, as a result of which this office issued Open Records Letter No. 2010-4703 (2010). In that ruling, we concluded that the information at issue may be withheld under section 552.108(a)(1) of the Government Code, except for basic information under section 552.108(c) and a court document that must be released under section 552.022(a)(17) of the Government Code. You do not indicate that there has been any change in the law, facts, and circumstances on which the previous ruling is based. We therefore conclude that to the extent that the requested information is encompassed by Open Records Letter No. 2010-4703, the city must dispose of the information at issue in accordance with the previous ruling. *See* Gov't Code § 552.301(a); Open Records Decision No. 673 at 6-7 (2001) (listing elements of first type of previous determination under Gov't Code § 552.301(a)). To the extent that the requested information is not encompassed by the previous ruling, we will address your claim under section 552.108.

We first note, however, that the submitted information includes a crash report that was completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) of the Transportation Code states that except as provided by subsection (c), accident reports are privileged and confidential.<sup>1</sup> *See id.* § 550.065(b). Section 550.065(c)(4) provides for the release of an accident report to a person who provides two of the following three items of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *See id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has not provided the city with two of the three specified items of information. Therefore, the city must withhold the submitted crash report pursuant to section 550.065(b) of the Transportation Code.

Next, we address your claim under section 552.108 of the Government Code. Section 552.108(a)(1) excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov't Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state that release of the remaining information would interfere with a pending criminal case. Based on your representation, we conclude that section 552.108(a)(1) is generally applicable to the remaining information. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

We note that section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov't Code § 552.108(c). Section 552.108(c) refers to the basic front-page information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88. The city must release basic offense and arrest information, including a detailed description of the offense, even if the information does not literally appear on the front page of an offense or arrest report. *See* Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). The city may withhold the remaining information under section 552.108(a)(1).

---

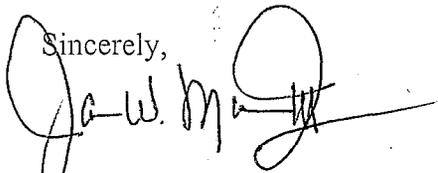

<sup>1</sup>Section 552.101 of the Government Code excepts from public disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov't Code § 552.101. This exception encompasses information that other statutes make confidential.

In summary: (1) to the extent that the requested information is encompassed by Open Records Letter No. 2010-4703, the city must dispose of the information at issue in accordance with the previous ruling; (2) the city must withhold the crash report pursuant to section 550.065(b) of the Transportation Code; and (3) the city may withhold the remaining information under section 552.108(a)(1) of the Government Code, except for the basic information that must be released under section 552.108(c).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
