

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

Mr. Charles H. Weir  
Assistant City Attorney  
City of San Antonio  
P.O. Box 839966  
San Antonio, Texas 78283-3966

OR2010-07774

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 387175 (COSA File No. 201-5726).

The City of San Antonio (the "city") received a request for information related to case number 00-314370. You claim that the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note that the submitted information includes the results of an analysis of a breath specimen. Section 724.018 of the Transportation Code provides that upon the request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen must be made available to that person or the person's attorney. As a general rule, the exceptions to disclosure found in the Act do not apply to information that other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). In this instance, the requestor is the person who gave the specimen at the request of a peace officer. Therefore, the submitted results of the analysis of the breath specimen must be released to this requestor pursuant to section 724.018 of the Transportation Code.

You seek to withhold the remaining information under section 552.108 of the Government Code. Section 552.108(a)(1) excepts from disclosure "[i]nformation held by a law

enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime.” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. See *id.* §§ 552.108(a)(1), .301(e)(1)(A); see also *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state that release of the submitted information will interfere with a pending criminal case. Based on this representation, we conclude that section 552.108(a)(1) is generally applicable in this instance. See *Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). We note, however, that the information at issue includes a DIC-24 statutory warning and a DIC-25 notice of suspension. The city provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. See Gov’t Code § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-187; see also Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the DIC-24 and DIC-25 forms and basic information, the city may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.

In summary, the results of the analysis of the breath specimen must be released to this requestor pursuant to section 724.018 of the Transportation Code. With the exception of the DIC-24 and DIC-25 forms and basic information, the city may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.<sup>1</sup>

<sup>1</sup>We note that the statutory warning and the notice of suspension contain the requestor’s Texas driver’s license number, which the city would ordinarily be required to withhold under section 552.130 of the Government Code. Because section 552.130 protects personal privacy, the requestor has a special right of access to his own Texas driver’s license number under section 552.023 of the Government Code. See Gov’t Code § 552.023(a); Open Records Decision No. 481 at 4 (1987). We also note that this office recently issued Open Records Decision No. 684 (2009), a previous determination to all governmental bodies authorizing them to withhold ten categories of information without the necessity of requesting an attorney general decision, including a Texas driver’s license number under section 552.130. Thus, should the city receive another request for these same records from a requestor other than one with a right of access under section 552.023, the city is authorized to withhold this requestor’s Texas driver’s license number under section 552.130 without the necessity of requesting an attorney general decision.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Cindy Nettles
