OR2010-08117

Dear Mr. Mu:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 381622.

The Texas Department of Criminal Justice (the "department") received a request for certain post orders for the month of February, 2010. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(b)(1) of the Government Code excepts from public disclosure an internal record of a law enforcement agency that is maintained for internal use in matters relating to law enforcement or prosecution if "release of the internal record or notation would interfere with law enforcement or prosecution[.]" Gov't Code § 552.108(b)(1); *see also City of Fort Worth v. Cornyn*, 86 S.W.3d 320, 327 (Tex. App.—Austin 2002, no pet.) (section 552.108(b)(1) protects information which, if released, would permit private citizens to anticipate weaknesses in police department, avoid detection, jeopardize officer safety, and generally undermine police efforts to effectuate state laws). Generally, a governmental body claiming section 552.108(b)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement and crime prevention. *See* Gov't Code §§ 552.108(b)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

This office has on numerous occasions concluded that section 552.108 excepts from public disclosure information relating to the security or operation of a law enforcement agency. *See, e.g.*, Open Records Decision Nos. 531 (1989) (holding that predecessor to section 552.108 excepts detailed guidelines regarding police department's use of force policy), 508 (1988) (holding that release of dates of prison transfer could impair security), 413 (1984) (holding that predecessor to section 552.108 excepts sketch showing security measures for execution).

You explain the submitted Post Order Accountability Logs contain information about unit operations that "could be used to compromise the physical security of the unit." You contend release of this information could "be useful to inmates in their future attempts to circumvent the security of the prison unit." Based on these arguments and our review, we conclude release of the submitted information would interfere with law enforcement and crime prevention. Therefore, the submitted information may be withheld under section 552.108(b)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Matt Entsminger
