Ms. Yvette Aguilar
Assistant City Attorney
City of Corpus Christi

Corpus Christi, Texas 78401

OR2010-08414

Dear Ms. Aguilar:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 387723.

The Corpus Christi Police Department (the "department") received a request for information related to a specified incident. You state that some responsive information has been released to the requestor. You claim that the remaining requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

We note the submitted police report involves an alleged violation of section 32.51 of the Penal Code, which provides that "[a] person commits an offense if the person, with the intent to harm or defraud another, obtains, possesses, transfers, or uses an item of . . . identifying information of another person without the other person's consent[.]" Penal Code § 32.51(b)(1). For purposes of section 32.51, "identifying information" includes an individual's name and financial institution account number. *Id.* § 32.51(a)(1)(A), (C). Article 2.29 of the Code of Criminal Procedure pertains to alleged violations of section 32.51 that occurred on or after September 1, 2005 and provides:

(a) A peace officer to whom an alleged violation of Section 32.51, Penal Code, is reported shall make a written report to the law enforcement agency that employs the peace officer that includes the following information:

- (1) the name of the victim;
- (2) the name of the suspect, if known;
- (3) the type of identifying information obtained, possessed, transferred, or used in violation of Section 32.51, Penal Code; and
- (4) the results of any investigation.

(b) On the victim's request, the law enforcement agency shall provide the report created under Subsection (a) to the victim. In providing the report, the law enforcement agency shall redact any otherwise confidential information that is included in the report, other than the information described by Subsection (a).

Crim. Proc. Code art. 2.29. For purposes of article 2.29, an offense is committed on or after September 1, 2005 if no "element of the offense occurs before that date." Act of Jun. 17, 2005, 79th Leg., R.S., ch. 294, § 1(b), 2005 Tex. Gen. Laws 885.

In this instance, the submitted report pertains to the alleged fraudulent use of a debit card, which constitutes a violation of section 32.51. The requestor is the victim listed in the report, and the alleged offense occurred after September 1, 2005. Therefore, the submitted report is subject to article 2.29 of the Code of Criminal Procedure and must be released to the requestor, except to the extent that it contains confidential information. *See* Crim. Proc. Code art. 2.29. You claim the submitted report is excepted from disclosure under section 552.108 of the Government Code. However, section 552.108 is a discretionary exception that does not make information confidential. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 586 (1991) (governmental body may waive section 552.108). Therefore, the submitted police report may not be withheld under section 552.108 of the Government Code. Instead, the information must be released to this requestor in its entirety pursuant to article 2.29 of the Code of Criminal Procedure.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php,

¹Because the requestor has a special right of access to the information being released, the department must again seek a decision from this office if it receives another request for the same information from a different requestor.
