Ms. Michelle T. Rangel
Assistant County Attorney
Fort Bend County

Richmond, Texas 77469

OR2010-09238

Dear Ms. Rangel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 383807.

The Fort Bend County Sheriff's Office (the "sheriff") received two requests from the same requestor for the 9-1-1 and police dispatch audio tapes, taser record, jail medical records, and ambulance medical records pertaining to a specified incident. You indicate you do not have information responsive to the request for the taser record or the ambulance medical records.¹ You claim that the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted incident history detail report is not responsive to the request because it does not pertain to the requested categories of information. The sheriff need not release non-responsive information in response to this request, and this ruling will not address the public availability of that information.

¹The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the Medical Practice Act (the "MPA"), subtitle B of title 3 of the Occupations Code. Section 159.002 of the MPA provides, in part:

(a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.

(b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Occ. Code § 159.002(a)-(c). This office has determined that in governing access to a specific subset of information, the MPA prevails over the more general provisions of the Act. *See* Open Records Decision No. 598 (1991). This office has also concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982). Medical records must be released upon the patient's signed, written consent, provided the consent specifies (1) the information to be covered by the release, (2) reasons or purposes for the release, and (3) the person to whom the information is to be released. Occ. Code §§ 159.004, .005. Section 159.002(c) also requires that any subsequent release of medical records be consistent with the purposes for which the governmental body obtained the records. *See* Open Records Decision No. 565 at 7 (1990). We find a portion of the submitted information constitutes medical records. In this instance, the requestor represents the individual who is the subject of the medical records. We have marked the medical records that may only be released in accordance with the MPA.

You assert the remaining information is excepted from disclosure under section 552.108 of the Government Code. Section 552.108(a)(1) excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime." Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You assert the information at issue

relates to a criminal case that is currently pending with the Fort Bend County District Attorney's Office. Based on this representation, we conclude that the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e.*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Accordingly, we find the sheriff may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, the marked medical records may only be released in accordance with the MPA. The sheriff may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
