

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

June 23, 2010

Mr. Peter Scott  
Assistant City Attorney  
City of Wichita Falls  
P.O. Box 1431  
Wichita Falls, Texas 76307

OR2010-09251

Dear Mr. Scott:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 389390 (City ID# 168).

The Wichita Falls Police Department (the "department") received a request for information relating to a fatal accident. You claim that the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.

We note that the submitted information includes a crash report that was completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) of the Transportation Code states that except as provided by subsection (c), accident reports are privileged and confidential.<sup>1</sup> *See id.* § 550.065(b). Section 550.065(c)(4) provides for the release of an accident report to a person who provides two of the following three items of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *See id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who

---

<sup>1</sup>Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that other statutes make confidential.

provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has provided the department with two of the three specified items of information. Therefore, the crash report we have marked must be released to this requestor in its entirety pursuant to section 550.065(c)(4) of the Transportation Code.

Next, we address your claim under section 552.108 of the Government Code for the rest of the submitted information. Section 552.108(a)(1) excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You inform us, and have provided a letter from the department stating, that the remaining information is related to a pending criminal investigation. Based on your representations and the department’s letter, we conclude that section 552.108(a)(1) is generally applicable in this instance. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

We note that section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic front-page information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88. The department must release basic offense and arrest information, including a detailed description of the offense, even if the information does not literally appear on the front page of an offense or arrest report. *See* Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). The department may withhold the remaining information under section 552.108(a)(1).

In summary: (1) the crash report must be released in its entirety pursuant to section 550.065(c)(4) of the Transportation Code; and (2) the rest of the submitted information may be withheld under section 552.108(a)(1) of the Government Code, except for the basic information that must be released under section 552.108(c).<sup>2</sup>

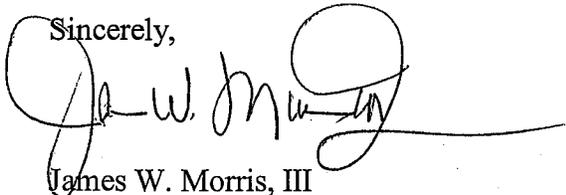

---

<sup>2</sup>We note that basic information includes an arrested person’s social security number. Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person’s social security number from public release without the necessity of requesting a decision from this office under the Act. The requestor has a right, however, to the arrested person’s social security number if she is his authorized representative. *See generally* Gov’t Code § 552.023(b) (governmental body may not deny access to person to whom information relates, or that person’s representative, solely on grounds that information is considered confidential by privacy principles).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

A handwritten signature in black ink, appearing to read "James W. Morris, III". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

James W. Morris, III  
Assistant Attorney General  
Open Records Division
