Dear Mr. Gary:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 389501 (HCAD Reference No. 10-1268).

The Harris County Appraisal District (the "district") received a request for specified pipestock tonnage information. You inform us that the requested information is the subject of a previous open records letter ruling. We have considered your arguments and reviewed the information you submitted.

You inform us that the requested information was the subject of a previous request for information, as a result of which this office issued Open Records Letter No. 2010-06038 (2010). You also state that there has been no change in the law, facts, and circumstances on which the previous ruling is based. We therefore conclude that the district must dispose of the requested information in accordance with Open Records Letter No. 2010-06038. *See* Gov't Code § 552.301(a); Open Records Decision No. 673 at 6-7 (2001) (listing elements of first type of previous determination under Gov't Code § 552.301(a)).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Paige Lay
Assistant Attorney General
