

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

June 24, 2010

Ms. Sharon Alexander  
Associate General Counsel  
Texas Department of Transportation  
125 East 11th Street  
Austin, Texas 78701

OR2010-09320

Dear Ms. Alexander:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 384034.

The Texas Department of Transportation (the "department") received a request for a department report related to a specified accident, including any photographs, videos, or audio recordings. You state that you do not have any report responsive to the request.<sup>1</sup> You claim that the submitted photographs are excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of photographs.<sup>2</sup>

Section 552.103 provides in part:

---

<sup>1</sup>The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ *dism'd*); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

<sup>2</sup>We assume that the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing (1) litigation is pending or reasonably anticipated on the date the governmental body receives the request for information, and (2) the information at issue is related to that litigation. *See Thomas v. Cornyn*, 71 S.W.3d 473, 487 (Tex. App.—Austin 2002, no pet.); *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, no pet.); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). The governmental body must meet both prongs of this test for information to be excepted under section 552.103(a). *See* ORD 551 at 4.

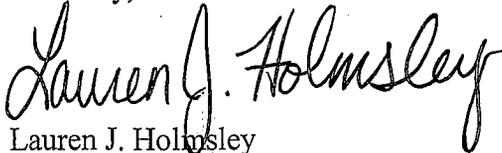

You inform us that the information at issue relates to a pending lawsuit, case number 08-67196, in the District Court of Harris County, in which the department has intervened as a party. You further inform us the information at issue and the lawsuit both involve the same issues regarding a motor vehicle accident. You state, and provide supporting documentation showing, that this lawsuit was filed prior to the department's receipt of the instant request. Based on your representations and our review, we agree that the information at issue relates to pending litigation for purposes of section 552.103. Accordingly, the department may withhold the submitted photographs under section 552.103 of the Government Code.

We note, however, that once information has been obtained by all parties to the pending litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. Open Records Decision Nos. 349 (1982), 320 (1982). Further, the applicability of section 552.103(a) ends once the litigation has been concluded. Attorney General Opinion MW-575 (1982); Open Records Decision No. 350 (1982).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Lauren J. Holmsley
