

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

June 28, 2010

Mr. Gary A. Scott  
Assistant City Attorney  
City of Conroe  
P.O. Box 3066  
Conroe, Texas 77305

OR2010-09505

Dear Mr. Scott:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 389660.

The Conroe Police Department (the "department") received a request for information pertaining to a specified accident. You state that a portion of the requested information has been released to the requestor. You claim that the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note that the submitted information includes an accident report form that appears to have been completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states that except as provided by subsection (c), accident reports are privileged and confidential. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute. *Id.* § 550.0601. In the situation at hand, the requestor has provided the department with all three pieces of information. Thus, you must release the submitted accident report pursuant to section 550.065(c)(4) of the Transportation Code.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate that the requested information relates to a criminal

investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e) (governmental body must provide comments explaining why exceptions raised should apply to information requested). You state that the submitted information relates to a concluded investigation that did not result in a conviction or deferred adjudication. Based on your representation, we conclude that section 552.108(a)(2) is applicable to the remaining information.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), writ ref'd n.r.e. per curiam, 536 S.W.2d 559 (Tex. 1976). Thus, with the exception of basic information, which you state has been released, the department may withhold the remaining information under section 552.108(a)(2).<sup>1</sup>

In summary, the department must release the submitted accident report pursuant to section 550.065(c)(4) of the Transportation Code. With the exception of basic information, which you state has been released, the department may withhold the remaining information under section 552.108(a)(2) of the Government Code.
