GREG ABBOTT

June 29, 2010

Mr. Tyler F. Wallach
Assistant City Attorney
City of Fort Worth
1000 Throckmorton Street, 3rd Floor
Fort Worth, Texas 76102

OR2010-09620

Dear Mr. Wallach:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 384568 (Fort Worth No. W000227).

The City of Fort Worth (the "city") received a request for information regarding an investigation of a named restaurant. You claim that the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, like section 81.046 of the Health and Safety Code, which provides in part:

- (a) Reports, records, and information received from any source, including from a federal agency or from another state, furnished to a public health district, a health authority, a local health department, or the [Texas Department of State Health Services] that relate to cases or suspected cases of diseases or health conditions are confidential and may be used only for the purposes of this chapter.
- (b) Reports, records, and information relating to cases or suspected cases of diseases or health conditions are not public information under [the Act], and may not be released or made public on subpoena or otherwise except as provided by Subsections (c), (d), and (f).

Health & Safety Code § 81.046(a), (b). In Open Records Decision No. 577 (1990), this office concluded that any information acquired or created during an investigation under chapter 81 of the Health and Safety Code is confidential and may not be released unless an exception set out in the statute applies. The submitted information consists of an investigation report, and you state that the information in the report was either furnished to or created or gathered by the city's Consumer Health Division pursuant to the provisions of chapter 81 of the Health and Safety Code. Therefore, we agree that section 81.046(b) governs the release of this information. You state that none of the release provisions of section 81.046 are applicable in this instance. Accordingly, based upon your representations and our review of the submitted information, we agree that the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 81.046 of the Health and Safety Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
