Dear Mr. Hager:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 385374 (Red Oak# 43275).

The Red Oak Police Department (the "department"), which you represent, received a request for a recorded conversation between a named individual and a named lieutenant regarding a certain citizen's comment to the city council on March 8, 2010. You claim that the responsive information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(2) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . it is information that deals with the detection, investigation, or prosecution of crime only in relation to an investigation that did not result in conviction or deferred adjudication[.]" Gov't Code §552.108(a)(2). You state that the submitted information relates to a criminal investigation that did not result in conviction or deferred adjudication. Based on your representation and our review of the information at issue, we conclude that section 552.108(a)(2) is applicable to the submitted information, and this information may be withheld on that basis.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
