

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

July 1, 2010

Mr. Randy Jones  
Chief Financial Officer/Records Management Officer  
Athens Independent School District  
104 Hawn Street  
Athens, Texas 75751

OR2010-09757

Dear Mr. Jones:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 386406.

The Athens Independent School District (the "district") received a request for responses to a specified Request for Proposals pertaining to food service. Although you take no position as to whether the submitted information is excepted under the Act, you state that release of this information may implicate the proprietary interests of third parties. Accordingly, you state, and provide documentation showing, you notified Aramark; Chartwells, a division of Compass Group North America ("Chartwells"); and Southwest Food Service Excellence, L.L.C. ("Southwest") of the request for information and of their right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

We note that an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, this office has not received comments from Aramark, Chartwells, or Southwest explaining why each third party's submitted information should not be released. Therefore, we have no basis to conclude that

these third parties have a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the district may not withhold any portion of the submitted information based upon the proprietary interests of Aramark, Chartwells, or Southwest.

We note that portions of the submitted information are subject to section 552.136 of the Government Code.<sup>1</sup> Section 552.136 states that “[n]otwithstanding any other provision of this chapter, a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.” Gov’t Code § 552.136. Accordingly, we find that the district must withhold the insurance policy numbers we have marked under section 552.136 of the Government Code.<sup>2</sup>

Finally, we note that some of the remaining information at issue is protected by copyright. A governmental body must allow inspection of copyrighted materials unless an exception applies to the information, but a custodian of public records must comply with copyright law and is not required to furnish copies of records that are copyrighted. *See* Attorney General Opinion JM-672 (1987). Thus, if a member of the public wishes to make copies of copyrighted materials, the person must do so unassisted by the governmental body. In making copies, the member of the public assumes the duty of compliance with the copyright law and the risk of a copyright infringement suit. *See* Open Records Decision No. 550 (1990).

In summary, the district must withhold the information we have marked under section 552.136 of the Government Code. The remaining information must be released, but any information subject to copyright may only be released in accordance with copyright law.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

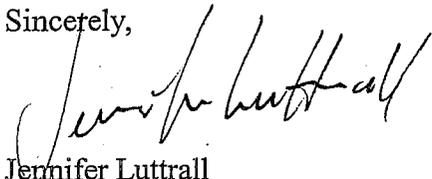

---

<sup>1</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

<sup>2</sup>We note this office recently issued Open Records Decision No. 684 (2009), a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including insurance policy numbers under section 552.136 of the Government Code, without the necessity of requesting an attorney general decision.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Jennifer Luttrall  
Assistant Attorney General  
Open Records Division
