Ms. Yvette Aguilar
Assistant City Attorney
City of Corpus Christi
P.O. Box 9277

OR2010-09827

Dear Ms. Aguilar:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 385191.

The Corpus Christi Police Department (the "department") received a request for offense report number 1004150054. You claim the submitted report is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that other statutes make confidential. You raise section 552.101 in conjunction with section 58.007 of the Family Code, which provides in part:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). Section 58.007(c) is applicable to records of juvenile delinquent conduct or conduct indicating a need for supervision that occurred on or after September 1, 1997. In order for section 58.007(c) to apply, a child must be identified in the information at issue as a suspect or offender. *See id.* Section 51.02(2) of the Family Code defines a "child" for purposes of section 58.007 as a person who is ten years of age or older and under seventeen years of age at the time of the conduct. *Id.* §. 51.02(2). We have reviewed the submitted report and find it involves allegations of children engaged in delinquent conduct that occurred after September 1, 1997. *See id.* § 51.03(a) (defining "delinquent conduct" for purposes of section 58.007). You do not inform us, and it does not appear, that any of the exceptions in section 58.007 apply to the information in this report. Therefore, the submitted report is confidential under section 58.007(c) of the Family Code and must be withheld in its entirety under section 552.101 of the Government Code. As our ruling is dispositive, we need not address your remaining argument against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Bob Davis
