

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

July 6, 2010

Mr. Richard L. Bilbie
Assistant City Attorney
City of Harlingen
P.O. Box 2207
Harlingen, Texas 78551

OR2010-09877

Dear Mr. Bilbie:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 390424.

The City of Harlingen (the "city") received a request for police reports and 9-1-1 calls pertaining to a specified accident. You claim the submitted information is excepted from disclosure under sections 552.101, 552.103, and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note that the submitted information contains a CR-3 accident report form that was completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.062 (accident report). Section 550.065(b) states that except as provided by subsection (c), accident reports are privileged and confidential. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute. *Id.* In this instance, the requestor has provided the city with the requisite information for the CR-3 crash report. Therefore, the city must release the CR-3 accident report form to the requestor in its entirety pursuant to section 550.065(c) of the Transportation Code.

Section 552.108(a)(1) excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution

of crime.” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to a pending criminal case. Based on this representation, we conclude that section 552.108(a)(1) is generally applicable to the remaining information. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref’d n.r.e. per curium*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). We note, however, that the information at issue includes a DIC-24 statutory warning. The city’s police department provided a copy of this form to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Accordingly, the DIC-24 form may not be withheld under section 552.108.

Additionally, we note, and you acknowledge, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the DIC-24 form and basic information, the department may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.¹

Finally, we note that the DIC-24 form contains a Texas driver’s license number. Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle operator’s or driver’s license or permit issued by an agency of this state.² *See* Gov’t Code § 552.130(a)(1). The city must withhold the Texas driver’s license number we have marked under section 552.130.³

¹As we are able to make this determination, we do not address your claim under section 552.103 of the Government Code, except to note that section 552.103 does not generally except from disclosure the same basic information that must be released under section 552.108(c). *See* Open Records Decision No. 597 (1991).

²The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

³We note this office recently issued Open Records Decision No. 684 (2009), a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including Texas driver’s license numbers under section 552.130 of the Government Code, without the necessity of requesting an attorney general decision.

In summary, the city must release the submitted CR-3 crash report pursuant to section 550.065(c) of the Transportation Code. Except for the marked Texas driver's license number, which the city must withhold under section 552.130 of the Government Code, the DIC-24 form must be released. The department may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code, except for the basic information that must be released under section 552.108(c).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
