Mr. Shawn Fitzpatrick

Dear Mr. Fitzpatrick:

You seek a ruling from this office on behalf of the City of San Antonio (the "city") concerning whether the city must release portions of specified radio call logs from several specified dates. You state the city has released the remainder of the requested information. We have assigned this request for a ruling ID# 386553.

We note the city currently has litigation pending against the Office of the Attorney General over release of the same type of information in *The City of San Antonio v. Greg Abbott, Tex. Attorney Gen.*, No. D-1-GV-09-000920, 200th District Court, Travis County, Texas. Your arguments in the instant request for a decision are similar to the city's arguments in the pending litigation of the prior ruling. Accordingly, we are closing our file on this matter without a finding and will allow the trial court to resolve the issue of whether the type of information at issue must be released to the public.

Sincerely,

Christina Alvarado
Assistant Attorney General
