GREG ABBOTT

Ms. Heather Stebbins
Assistant City Attorney
City of Kerrville
800 Junction Highway
Kerrville, Texas 78028-2215

OR2010-10476

Dear Ms. Stebbins:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 386599.

The Kerrville Police Department (the "department") received two requests from the same requestor for two specified incident reports. You claim that the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108 of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.*, § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). We note the submitted information includes a citation. Because a copy of the citation has been provided to the individual who was cited, we find that its release will not interfere with the detection, investigation, or prosecution of crime. *See* Gov't Code § 552.108(a)(1). Therefore, the department may not withhold the citation, which we have marked, under section 552.108(a)(1). You state the remaining information is related to two pending criminal investigations. Based on this representation and our review, we conclude that the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co.*

v. City of Houston, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Thus, section 552.108(a)(1) is generally applicable to the remaining information.

However, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic front-page information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-88. The department must release basic information, including detailed descriptions of the offenses, even if the information does not literally appear on the front page of an offense or arrest report. See Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of the citation and basic information, the department may withhold the submitted information under section 552.108(a)(1).

We note the submitted citation includes information subject to section 552.130 of the Government Code.¹ Section 552.130 of the Government Code excepts from disclosure “information [that] relates to . . . a motor vehicle operator’s or driver’s license or permit issued by an agency of this state [or] a motor vehicle title or registration issued by an agency of this state[.]” Gov’t Code § 552.130. Accordingly, the department must withhold the Texas motor vehicle record information we have marked in the submitted citation pursuant to section 552.130 of the Government Code.²

In summary, except for the submitted citation and basic information, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code. The marked Texas motor vehicle record information in the citation must be withheld pursuant to section 552.130 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php,

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

²We note this office recently issued Open Records Decision No. 684 (2009), a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including a Texas driver’s license number under section 552.130 of the Government Code, without the necessity of requesting an attorney general decision.
