Mr. David H. Guerra

P.O. Box 1025  
Mission, Texas 78573

OR2010-10545

Dear Mr. Guerra:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 391999.

The City of Mission (the "city"), which you represent, received a request for the call logs and accident reports during a specified time period. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note that you have only submitted accident reports. Thus, to the extent any responsive call logs existed and were maintained by the city on the date the city received the request, we assume you have released them. If you have not released any such information, you must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes that no exceptions apply to requested information, it must release information as soon as possible).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 of the Government Code also encompasses section 550.065(b) of the Transportation Code, which states that except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *See* Transp. Code § 550.065. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the

accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). You inform us that the requestor has not provided the city with the requisite pieces of information specified by the statute. Accordingly, the city must withhold the submitted CR-3 accident reports under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,
