GREG ABBOTT

July 19, 2010

Mr. Lawrence G. Provins
Assistant City Attorney
City of Pearland
3519 Liberty Drive
Pearland, Texas 77581-5416

OR2010-10715

Dear Mr. Provins:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 392248.

The City of Pearland (the "city") received a request for information relating to a motor vehicle accident. You claim that the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."² Gov't Code § 552.101. This exception encompasses information that other statutes make confidential. Section 550.065(b) of the Transportation Code states that except as provided by subsection (c), accident reports are privileged and confidential. *See* Transp. Code

¹This letter ruling assumes that the submitted "representative copies" of information are truly representative of the requested information as a whole. This ruling neither reaches nor authorizes the city to withhold any information that is substantially different from the submitted information. *See* Gov't Code §§ 552.301(e)(1)(D), .302; Open Records Decision Nos. 499 at 6 (1988), 497 at 4 (1988).

²This office will raise section 552.101 on behalf of a governmental body, as this exception is mandatory and may not be waived. *See* Gov't Code §§ 552.007, .352; Open Records Decision No. 674 at 3 n.4 (2001) (mandatory exceptions).

§ 550.065(b). Section 550.065(c)(4) provides for the release of an accident report to a person who provides two of the following three items of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *See id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* The submitted information includes a crash report that was completed pursuant to chapter 550 of the Transportation Code. *See id.* § 550.064 (officer's accident report). In this instance, the requestor has not provided the city with two of the three specified items of information. Therefore, the city must withhold the submitted crash report from this requestor pursuant to section 550.065(b) of the Transportation Code.

Next, we address your claim under section 552.108 of the Government Code for the rest of the submitted information. Section 552.108(a)(1) excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state that the release of the remaining information would interfere with a pending investigation by the city’s police department. Based on your representations, we conclude that section 552.108(a)(1) is generally applicable to the remaining information. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

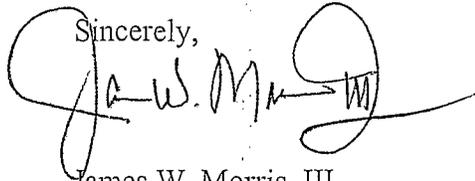

We note that section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic front-page information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88. The city must release basic information, including a detailed description of the offense, even if the information does not literally appear on the front page of an offense or arrest report. *See* Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). The city may withhold the rest of the submitted information under section 552.108(a)(1).

In summary: (1) the crash report must be withheld from this requestor pursuant to section 550.065(b) of the Transportation Code; and (2) the city may withhold the rest of the submitted information under section 552.108(a)(1) of the Government Code, except for the basic information that must be released under section 552.108(c).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
