OR2010-11037

Dear Mr. Mu:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 387729.

The Texas Department of Criminal Justice (the "department") received a request for several categories of information related to a named individual. You claim that the submitted information is excepted from disclosure under section 552.134 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.134 of the Government Code relates to information about inmates of the department. This exception provides in relevant part:

- (a) Except as provided by Subsection (b) or by Section 552.029 [of the Government Code], information obtained or maintained by the [department] is excepted from [required public disclosure] if it is information about an inmate who is confined in a facility operated by or under a contract with the department.

Gov't Code § 552.134(a). You assert the information at issue consists of information about an inmate confined in a facility operated by the department. We note although the inmate to whom the submitted information pertains is deceased, section 552.134 is applicable to information that relates to the decedent as an inmate. Upon review, we agree that the

submitted information is subject to section 552.134. We find that the exceptions in section 552.029 are not applicable in this instance. Therefore, the department must withhold the submitted information under section 552.134 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
