Assistant County Attorney

Dear Ms. Rangel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 388797.

The Fort Bend County Sheriff's Office (the "sheriff") received a request from an investigator with the Texas Education Agency (the "TEA") for information pertaining to a named individual, including information pertaining to a specified incident. You state that some information will be released to the requestor. You claim that the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.108 of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to an ongoing criminal investigation. Based on this representation and our review, we conclude that section 552.108(a)(1) is applicable to the submitted information. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

We note that section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Such basic information refers to the information held to be public in *Houston Chronicle*. *See* 536 S.W.2d at 559; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of basic information, which you state you have released, the sheriff may generally withhold the rest of the submitted information under section 552.108(a)(1).

However, as noted above, the requestor is an investigator for the TEA, which has assumed the duties of the State Board for Educator Certification (the “SBEC”).² Section 22.082 of the Education Code provides that the SBEC “may obtain from any law enforcement or criminal justice agency all criminal history record information and all records contained in any closed criminal investigation file that relate to a specific applicant for or holder of a certificate[.]” Educ. Code § 22.082. Section 411.090 of the Government Code grants a right of access for the SBEC to obtain criminal history record information (“CHRI”) from the Department of Public Safety (“DPS”) on persons who have applied to the SBEC. *See* Gov’t Code § 411.090. Additionally, section 411.0901 of the Government Code specifically provides the TEA with a right of access to obtain CHRI maintained by DPS on certain school employees or applicants for employment. *See id.* § 411.0901. Furthermore, pursuant to section 411.087 of the Government Code, an agency that is entitled to obtain CHRI from DPS is also authorized to “obtain from any other criminal justice agency in this state criminal history record information maintained by that [agency].” *Id.* § 411.087(a)(2). CHRI consists of “information collected about a person by a criminal justice agency that consists of identifiable descriptions and notations of arrests, detentions, indictments, information, and other formal criminal charges and their dispositions.” *Id.* § 411.082(2).

We find that, when read together, section 22.082 of the Education Code and section 411.087 of the Government Code give the TEA a statutory right of access to portions of the submitted information. *See id.*; *cf. Brookshire v. Houston Indep. Sch. Dist.*, 508 S.W.2d 675, 678-79 (Tex. Civ. App.—Houston [14th Dist.] 1974, no writ) (when legislature defines term in one statute and uses same term in relation to same subject matter in latter statute, later use of term

²The 79th Texas Legislature passed House Bill 1116, which required the transfer of SBEC’s administrative functions and services to the TEA, effective September 1, 2005.

is same as previously defined). Accordingly, we conclude that the sheriff must release information from the submitted documents to this requestor that shows the types of allegations made and whether there was an arrest, information, indictment, detention, conviction, or other formal charges and their dispositions. *See* Open Records Decision No. 451 (1986) (specific statutory right of access provisions overcome general exceptions to disclosure under Act).

In summary, the sheriff must release information from the submitted documents that show the types of allegations made and whether there was an arrest, information, indictment, detention, conviction, or other formal charges and their dispositions, pursuant to section 22.082 of the Education Code. With the exception of basic information, which must be released, the sheriff may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
