Mr. Ronald J. Bounds  
Assistant City Attorney  
City of Corpus Christi  
P.O. Box 9277  
Corpus Christi, Texas 78469-9277

OR2010-11560

Dear Mr. Bounds:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 393705.

The City of Corpus Christi (the "city") received a request for specified emergency medical services ("EMS") records. You claim portions of the requested information are excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 773.091 of the Health and Safety Code, which provides in relevant part:

(b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

...

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex,

occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091(b), (g). Except for the information specified in section 773.091(g), EMS records are deemed confidential under section 773.091 and may only be released in accordance with chapter 773 of the Health and Safety Code. *See id.* §§ 773.091-.094. You state the submitted information is maintained by the city's fire department and reflects the treatment of a patient by EMS personnel. Based on your representation and our review, we agree the submitted information constitutes EMS records subject to chapter 773 of the Health and Safety Code. As you acknowledge, however, records that are confidential under section 773.091 may be disclosed to "any person who bears a written consent of the patient or other persons authorized to act on the patient's behalf for the release of confidential information." *Id.* §§ 773.092(e)(4), .093. Section 773.093 provides a consent for release of EMS records must specify (1) the information or records to be covered by the release; (2) the reasons or purpose for the release; and (3) the person to whom the information is to be released. In this instance, you state the requestor "has not in this matter submitted adequate written consent of the patient or another person authorized to act on the patient's behalf." Therefore, the city must withhold the submitted EMS records under section 552.101 of the Government Code in conjunction with section 773.091 of the Health and Safety Code, except as specified by section 773.091(g), unless the city receives the required consent for release of that information. *See id.* §§ 773.092, .093; Open Records Decision No. 632 (1995).
