

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

August 3, 2010

Mr. David K. Walker  
County Attorney  
Montgomery County  
207 West Phillips, 1st Floor  
Conroe, Texas 77301

OR2010-11624

Dear Mr. Walker:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 393825 (ORR# 2010-2568).

The Montgomery County Sheriff's Department (the "sheriff") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note that the submitted information includes the results of an analysis of a breath specimen. Section 724.018 of the Transportation Code provides that upon the request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen must be made available to that person or the person's attorney. As a general rule, the exceptions to disclosure found in the Act do not apply to information that other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). In this instance, the requestor is the person who gave the specimen at the request of a peace officer. Therefore, the submitted results of the analysis of the breath specimen must be released to this requestor pursuant to section 724.018 of the Transportation Code.

You claim that the remaining information is excepted from disclosure under section 552.108 of the Government Code. Section 552.108(a)(1) excepts "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution

of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information is related to a pending criminal prosecution. Based on your representation, we conclude that section 552.108(a)(1) is generally applicable to the remaining information. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

We note, however, that the remaining information includes a statutory warning and a notice of suspension. Because copies of those documents are provided to the person who is the subject of the warning and the notice, we find that the release of the statutory warning and the notice of suspension will not interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Therefore, the statutory warning and the notice of suspension may not be withheld under section 552.108.

We also note that section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic front-page information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88. The sheriff must release basic offense and arrest information, including a detailed description of the offense, even if the information does not literally appear on the front page of an offense or arrest report. *See* Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Except for basic information, the statutory warning, and the notice of suspension, the sheriff may withhold the remaining information under section 552.108(a)(1).

In summary, the results of the analysis of the breath specimen must be released to this requestor pursuant to section 724.018 of the Transportation Code. Except for the basic information and the statutory warning and the notice of suspension, the sheriff may withhold the rest of the submitted information under section 552.108(a)(1) of the Government Code.<sup>1</sup>

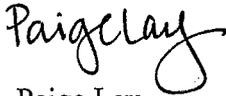

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

---

<sup>1</sup>We note that the statutory warning and the notice of suspension contain the arrested person’s Texas driver’s license number, which the sheriff would ordinarily be required to withhold under section 552.130 of the Government Code. Because section 552.130 protects personal privacy, the requestor has a right of access to his own Texas driver’s license number under section 552.023 of the Government Code. *See* Gov’t Code § 552.023(a); Open Records Decision No. 481 at 4 (1987).

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
