

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

August 3, 2010

Mr. Mark Adams
Office of the General Counsel
Office of the Governor
P.O. Box 12428
Austin, Texas 78711

OR2010-11672

Dear Mr. Adams:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 389152.

The Office of the Governor (the "governor") received a request for documents and correspondence relating to two specified "target reduction amounts" within the governor's office and Trusteed Programs. You state you are releasing some of the requested information. You claim the submitted information is excepted from disclosure under section 552.111 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

We note a portion of the submitted information is subject to section 552.022 of the Government Code. Section 552.022 provides, in pertinent part, as follows:

(a) Without limiting the amount or kind of information that is public information under this chapter, the following categories of information are public information and not excepted from required disclosure under this chapter unless they are expressly confidential under other law:

(5) all working papers, research material, and information used to estimate the need for or expenditure of public funds or taxes by a governmental body, on completion of the estimate[.]

Gov't Code § 552.022(a)(5). Exhibit C consists of working papers, research materials, and information used to estimate the need for and the expenditure of public funds by the governor. Therefore, as prescribed by section 552.022, the governor must release this

information unless it is confidential under other law. Although you seek to withhold Exhibit C under section 552.111 of the Government Code, that section is a discretionary exception to disclosure that protects a governmental body's interests, and may be waived. *See id.* § 552.007; Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 470 at 7 (1987) (statutory predecessor to Gov't Code § 552.111 subject to waiver). As such, section 552.111 is not other law that makes information confidential for the purposes of section 552.022. Therefore, the governor may not withhold the information at issue under section 552.111. As you raise no further exceptions to disclosure for this information, Exhibit C must be released.

We next address your claim that the remaining information not subject to section 552.022 is excepted from public disclosure under section 552.111 of the Government Code. Section 552.111 excepts from public disclosure "an interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency." Gov't Code § 552.111. The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, no writ); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, this office re-examined the statutory predecessor to section 552.111 in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined section 552.111 excepts from disclosure only those internal communications that consist of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. *See* Open Records Decision No. 615 at 5 (1993). A governmental body's policymaking functions do not encompass routine internal administrative or personnel matters, and disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. *Id.*; *see also City of Garland v. The Dallas Morning News*, 22 S.W.3d 351 (Tex. 2000) (section 552.111 not applicable to personnel-related communications that did not involve policymaking). A governmental body's policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body's policy mission. *See* Open Records Decision No. 631 at 3 (1995). Further, section 552.111 does not protect facts and written observations of facts and events that are severable from advice, opinions, and recommendations. *See* ORD 615 at 5. But if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. *See* Open Records Decision No. 313 at 3 (1982).

This office also has concluded that a preliminary draft of a document that is intended for public release in its final form necessarily represents the drafter's advice, opinion, and recommendation with regard to the form and content of the final document, so as to be excepted from disclosure under section 552.111. *See* Open Records Decision No. 559 at 2

(1990) (applying statutory predecessor). Section 552.111 protects factual information in the draft that also will be included in the final version of the document. *See id.* at 2-3. Thus, section 552.111 encompasses the entire contents, including comments, underlining, deletions, and proofreading marks, of a preliminary draft of a policymaking document that will be released to the public in its final form. *See id.* at 2.

You state the Exhibit B consists of advice, opinion, and recommendations pertaining to the governor's policymaking matters. Further, you state some of the information at issue consists of draft documents prepared by the governor's staff that necessarily reflects the advice, opinion, and recommendations of the drafter. You state the draft documents have been released to the public in their final form. Based on your representations and our review of the information at issue, we find that you have established the deliberative process privilege is applicable to Exhibit B and the governor may withhold Exhibit B under section 552.111 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
