

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

August 4, 2010

Mr. Gary W. Bunyard  
Assistant District Attorney  
33rd & 424th Judicial Districts  
Llano County  
P.O. Box 725  
Llano, Texas 78643

OR2010-11789

Dear Mr. Bunyard:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 389203.

The Office of the District Attorney for Blanco County, 33rd & 424th Judicial Districts, (the "district attorney") received a request for a named individual's criminal file. You indicate the district attorney has made most of the requested information available to the requestor. Although you make no arguments against the disclosure of the submitted driver's license detail sheet, you ask this office to determine if it may be released. We have reviewed the submitted representative sample of information.<sup>1</sup>

We must address the district attorney's obligations under the Act. Section 552.301 of the Government Code describes the procedural obligations placed on a governmental body that receives a written request for information it wishes to withhold. Pursuant to section 552.301(b), the governmental body must ask for the attorney general's decision and state the exceptions that apply within ten business days after receiving the request. *See* Gov't Code § 552.301(a), (b). In addition, pursuant to section 552.301(e), the governmental

---

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and, therefore, does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

body is required to submit to this office within fifteen business days of receiving the request: (1) general written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See id.* § 552.301(e). As of the date of this letter, you have not raised any exceptions to disclosure, nor have you provided any arguments against disclosure. Consequently, we find the district attorney has failed to comply with the procedural requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to submit to this office the information required in section 552.301(e) results in the legal presumption the requested information is public and must be released. Information that is presumed public must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ); *see also* Open Records Decision No. 630 (1994). Generally, a governmental body may demonstrate a compelling reason to withhold information by showing the information is made confidential by another source of law or affects third-party interests. *See* Open Records Decision No. 630 (1994). Because you have failed to raise any exceptions to disclosure or provide any arguments, we will examine the submitted driver's license detail sheet to determine whether it contains information that is confidential by law.<sup>2</sup>

Section 552.130 of the Government Code excepts from disclosure information that relates to a motor vehicle operator's license, driver's license, motor vehicle title, or registration issued by a Texas agency. Gov't Code § 552.130(a)(1), (2). Accordingly, the Texas driver's license number, expiration date, and class type we marked must be withheld under section 552.130.<sup>3</sup> As you raise no exceptions to disclosure, the remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

---

<sup>2</sup>The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

<sup>3</sup>We note this office recently issued Open Records Decision No. 684 (2009), a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including a Texas driver's license number under section 552.130 of the Government Code, without the necessity of requesting an attorney general decision.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Jessica Eales  
Assistant Attorney General  
Open Records Division
