

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

August 5, 2010

Mr. David M. Swope
Assistant County Attorney
Harris County
1019 Congress, 15th Floor
Houston, Texas 77002

OR2010-11872

Dear Mr. Swope:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 389295 (C.A. file No. 10GEN1008).

The Harris County Flood Control District (the "county") received a request for certain identifying information regarding all parcels of land being affected by or acquired for the Hunting Bayou expansion project. You claim the submitted information is excepted from disclosure under section 552.105 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.105 of the Government Code excepts from disclosure information relating to:

- (1) the location of real or personal property for a public purpose prior to public announcement of the project; or
- (2) appraisals or purchase price of real or personal property for a public purpose prior to the formal award of contracts for the property.

Gov't Code § 552.105. Section 552.105 is designed to protect a governmental body's planning and negotiating position with regard to particular transactions. *See* Open Records Decision Nos. 564 (1990), 357 (1982), 310 (1982). Information excepted from disclosure under section 552.105 that pertains to such negotiations may be excepted from disclosure so long as the transaction relating to that information is not complete. *See* ORD 310. But, the protection offered by section 552.105 is not limited solely to transactions not yet finalized. This office has concluded that information about specific parcels of land obtained in advance of other parcels to be acquired for the same project could be withheld where release of the information would harm the governmental body's negotiating position with respect to the

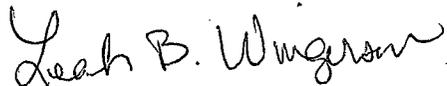

remaining parcels. *See* ORD 564 at 2. A governmental body may withhold information “which, if released, would impair or tend to impair [its] ‘planning and negotiating position in regard to particular transactions.’” ORD 357 at 3 (quoting Open Records Decision No. 222 (1979)). The question of whether specific information, if publicly released, would impair a governmental body’s planning and negotiating position with regard to particular transactions is a question of fact. Accordingly, this office will accept a governmental body’s good-faith determination in this regard, unless the contrary is clearly shown as a matter of law. *See* ORD 564.

You state the submitted map and list of property owners pertain to parcels of land, in whole or in part, the county is negotiating to purchase for public use. You indicate release of the submitted information would harm the county’s negotiating position with respect to the purchase of the land at issue. Based on your representations and our review of the information, we conclude the county may withhold the submitted map and list of property owners under section 552.105 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Leah B. Wingerson
