

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

Ms. P. Armstrong
Assistant City Attorney
Criminal Law and Police Division
City of Dallas
1400 South Lamar
Dallas, Texas 75215

OR2010-12016

Dear Ms. Armstrong:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 394386 (DPD Request No. 2010-6204).

The Dallas Police Department (the "department") received a request for information pertaining to two service numbers. You claim that the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.¹

Section 552.101 excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information that other statutes make confidential. The submitted documents include a CR-3 crash report that was completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) of the Transportation Code states that except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *See id.*

¹We assume that the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach and, therefore, does not authorize the withholding of any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

§ 550.065. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three items of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *See id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has not provided the department with two of the required pieces of information. Thus, the department must withhold the CR-3 accident report you have marked from the requestor under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code.

Next, we address your claim under section 552.108 of the Government Code for the information you have marked. Section 552.108(a)(1) excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state that the marked information relates to an open and pending criminal investigation and prosecution. Based upon your representation and our review, we conclude that the release of the information you have marked would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Thus, the department may withhold the information you have marked under section 552.108(a)(1) of the Government Code.

Next, you have marked information that is excepted from disclosure under section 552.130 of the Government Code. Section 552.130 excepts from public disclosure information that relates to:

- (1) a motor vehicle operator’s or driver’s license or permit issued by an agency of this state; [or]
- (2) a motor vehicle title or registration issued by an agency of this state[.]

Gov't Code § 552.130(a)(1)-(2). Upon review, we conclude that the department must withhold the Texas motor vehicle record information you have marked under section 552.130.²

In summary, the department must withhold the marked CR-3 report pursuant to section 550.065 of the Transportation Code. The department may withhold the information you have marked under section 552.108(a)(1) of the Government Code. The department must withhold the Texas motor vehicle information you have marked under section 552.130 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
