

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

August 11, 2010

Ms. Jerris Penrod Mapes  
Assistant City Attorney  
Killeen Police Department  
3304 Community Boulevard  
Killeen, Texas 76542

OR2010-12160

Dear Ms. Mapes:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 394909 (KPD ID No. W003908).

The Killeen Police Department (the "department") received a request for a specified report. You claim that the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.

We first note that the submitted information includes the results of an analysis of a breath specimen. Section 724.018 of the Transportation Code provides that upon the request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen must be made available to that person or the person's attorney. In this instance, the requestor is the person who gave the specimen at the request of a peace officer. Although you seek to withhold the results of the analysis of the specimen under section 552.108 of the Government Code, as a general rule the exceptions to disclosure found in the Act do not apply to information that other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). Therefore, the submitted results of the analysis of the breath specimen must be released to this requestor pursuant to section 724.018 of the Transportation Code.

Next, we address your claim for the rest of the submitted information under section 552.108 of the Government Code. Section 552.108(a)(1) excepts "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . , if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental

body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state that the remaining information is related to a pending criminal case. Based on your representations, we conclude that section 552.108(a)(1) is generally applicable in this instance. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

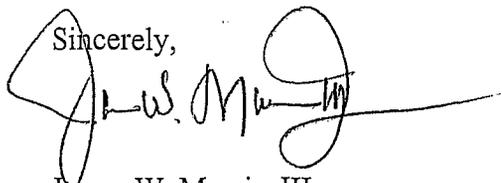

We note that section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic front-page information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88. The department must release basic offense and arrest information, including a detailed description of the offense, even if the information does not literally appear on the front page of an offense or arrest report. *See* Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Except for basic information, the department may withhold the remaining information under section 552.108(a)(1).

In summary: (1) the results of the analysis of the breath specimen must be released to this requestor pursuant to section 724.018 of the Transportation Code; and (2) the rest of the submitted information may be withheld under section 552.108(a)(1) of the Government Code, except for the basic offense and arrest information that must be released under section 552.108(c).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,
