

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

August 19, 2010

Ms. Leticia D. McGowan  
School Attorney  
Dallas Independent School District  
3700 Ross Avenue  
Dallas, Texas 75204

OR2010-12653

Dear Ms. McGowan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 390993 (DISD ORR# 9436, 9480 and 9513).

The Dallas Independent School District (the "district") received three requests from different requestors for employment information pertaining to a named district police officer and correspondence between the district and the City of Dallas referencing the named district police officer. You claim that the requested information is excepted from disclosure under sections 552.101 and 552.103 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note that you have not submitted any information responsive to the request for correspondence between the district and the City of Dallas referencing the named district police officer. Thus, to the extent any correspondence between the district and the City of Dallas referencing the named district police officer existed when the present request was received, we assume it has been released. If such information has not been released, then it must be released at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes that no exceptions apply to requested information, it must release information as soon as possible).

Section 552.103 of the Government Code provides as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show that the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, no pet.); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a).

You state, and provide documentation showing, that prior to the district's receipt of these requests, a lawsuit styled *Harold Cornish v. Dallas Independent School District*, Case No. 3:08-CV-1968-G, was filed and is currently pending in the United States District Court for the Northern District of Texas, Dallas Division. You further state the submitted information is related to the pending litigation because it pertains to the claims in the lawsuit. Accordingly, we find that litigation was pending when the district received this request for information and that the information at issue relates to the pending litigation. Therefore, section 552.103 is generally applicable to the submitted information.

We note once the information at issue has been obtained by all parties to the pending litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to the information. *See* Open Records Decision Nos. 349 (1982), 320 (1982). Accordingly, the district may only withhold the submitted information that the opposing parties to the litigation have not seen or had access to under section 552.103 of the Government Code. We note that the applicability of section 552.103(a) ends once the litigation has been concluded. Attorney General Opinion MW-575 (1982); Open Records Decision No. 350 (1982).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
