Ms. Lysia H. Bowling
City Attorney

OR2010-12693

Dear Ms. Bowling:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 395968.

The San Angelo Police Department (the "department") received a request for case number 2010-0009970. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, including section 58.007 of the Family Code, which makes confidential juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997. The relevant language of section 58.007 reads:

(c) Except as provided by subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult files and records;
- (2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). Section 51.02(2)(A) defines “child” as a person who is ten years of age or older and under seventeen years of age. *Id.* § 51.02(2)(A). In this instance, the listed offender was eight years old at the time of the conduct. Because the legislature has chosen to protect only the law enforcement records of a child who is between the ages of ten and sixteen at the time of the reported conduct, we find the submitted information is not confidential under section 58.007(c) of the Family Code. *See* Open Records Decision No. 478 at 2 (1987) (language of confidentiality statute controls scope of protection). Therefore, no portion of the submitted report may be withheld under section 552.101 of the Government Code in conjunction with section 58.007 of the Family Code. As you raise no further exceptions to disclosure, the submitted information must be released to the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Amy L.S. Shipp
