Dear Ms. Fleming:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 391101.

The Texas Department of Criminal Justice (the "department") received a request for all information pertaining to the requestor. You state you have or will release some information to the requestor. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.134 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.134 of the Government Code relates to department inmates and provides in relevant part:

(a) Except as provided by Subsection (b) or by Section 552.029 [of the Government Code], information obtained or maintained by the [department] is excepted from [required public disclosure] if it is information about an inmate who is confined in a facility operated by or under a contract with the department.

Gov't Code § 552.134(a). Upon review, we agree the submitted information constitutes information about inmates confined in a facility operated by the department. We also agree this information is not subject to release under section 552.029. Accordingly, the department

must withhold the submitted information under section 552.134. As our ruling is dispositive, we need not address your remaining arguments against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
