Dear Mr. Burleson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 394754.

The Mission Consolidated Independent School District (the "district"), which you represent, received a request for information pertaining to the requestor's interview for a specified position. You state some of the requested information has been released, but claim the submitted information is excepted from disclosure under section 552.122 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.122(b) of the Government Code excepts from disclosure test items developed by a licensing agency or governmental body. In Open Records Decision No. 626 (1994), this office determined that the term "test item" in section 552.122 includes any standard means by which an individual's or group's knowledge or ability in a particular area is evaluated, but does not encompass evaluations of an employee's overall job performance or suitability. Whether information falls within the section 552.122 exception must be determined on a case-by-case basis. Open Records Decision No. 626 at 6 (1994). Having reviewed the submitted interview questions, we conclude that questions four, five, ten and twelve are "test items" for purposes of section 552.122(b). Therefore, the district may withhold these questions and their responses under section 552.122(b). However, we conclude none of the remaining questions is a test item for purposes of section 552.122(b); therefore, the district may not withhold the remaining questions and their responses under section 552.122. Instead, the district must release the remaining information to the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

James L. Coggeshall
Assistant Attorney General
