Mr. Lou Bright
General Counsel
Texas Alcoholic Beverage Commission
P.O. Box 13127

OR2010-12966

Dear Mr. Bright:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 391580.

The Texas Alcoholic Beverage Commission (the "commission") received a request for information pertaining to shareholders of a specified company submitted with the company's application. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. Section 5.48 of the Alcoholic Beverage Code provides as follows:

- (a) "Private records," as used in this section, means all records of a permittee, licensee, or other person other than the name, proposed location, and type of permit or license sought in an application for an original or renewal permit or license, or in a periodic report relating to the importation, distribution, or sale of alcoholic beverages required by the commission to be regularly filed by a permittee or licensee.
- (b) The private records of a permittee, licensee, or other person that are required or obtained by the commission or its agents, in connection with an investigation or otherwise, are privileged unless introduced in evidence in a

hearing before the commission or before a court in this state or the United States.

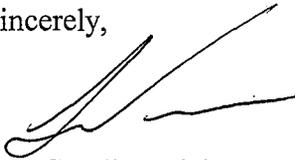

Alco. Bev. Code § 5.48. The term "privileged" in this statute has been construed to mean "confidential" for purposes of the Act. Attorney General Opinion JM-1235 at 2 (1990); Open Records Decision Nos. 186 (1978), 62 (1974).

You state the submitted information constitutes a "form . . . filled out by all stockholders of a corporation when applying for a permit or license issued by the [c]ommission." You further state the submitted information has not been submitted as evidence in a hearing before the commission or a court. Based on your representations and our review, we agree the submitted information constitutes a private record under section 5.48 of the Alcoholic Beverage Code. Accordingly, the commission must withhold the submitted information pursuant to section 552.101 of the Government Code in conjunction with section 5.48 of the Alcoholic Beverage Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
