Mr. James Mu

P.O. Box 4004

OR2010-12997

Dear Mr. Mu:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 391832.

The Texas Department of Criminal Justice (the "department") received a request for the most recent Parole Board minutes related to two named individuals. You state you have released or will release some information to the requestor. You claim that the submitted information is excepted from disclosure under sections 552.101 and 552.134 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 508.313 of the Government Code, which provides in part:

(a) All information obtained and maintained [by the department], including a victim protest letter or other correspondence, a victim impact statement, a list of inmates eligible for release on parole, and an arrest record of an inmate, is confidential and privileged if the information relates to:

(1) an inmate of the institutional division [of the department] subject to release on parole, release to mandatory supervision, or executive clemency;

(2) a releasee; or

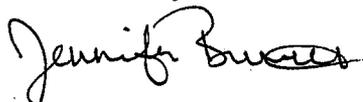

(3) a person directly identified in any proposed plan of release for an inmate.

*Id.* § 508.313(a); *see id.* § 508.001(9) (“releasee” means a person released on parole or to mandatory supervision). You state that the submitted information originated from the files of the Parole Division of the department and relates to releasees or “inmates of the institutional division subject to release to mandatory supervision, or parole or executive clemency.” You do not inform us that the requestor is an entity authorized to obtain the information at issue under section 508.313(c). Upon review, we agree none of the information is made public under section 552.029 of the Government Code. *See id.* § 508.313(f). We therefore conclude that the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 508.313 of the Government Code. As our ruling is dispositive, we need not address your remaining argument against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php), or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Jennifer Burnett  
Assistant Attorney General
