Mr. David K. Walker
County Attorney
Montgomery County
207 West Phillips, Suite 100

OR2010-13228

Dear Mr. Walker:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 396791 (ORR# 2010-3020).

The Montgomery County Sheriff's Office (the "sheriff") received a request for a specified police report. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information contains a CR-3 accident report form that was completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.062 (accident report). Section 550.065(b) states that except as provided by subsection (c), accident reports are privileged and confidential. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute. *Id.* In this instance, the requestor has provided the sheriff with two of the three pieces of the requisite information for the CR-3 crash report. Therefore, the sheriff must release the CR-3 accident report form to the requestor in its entirety pursuant to section 550.065(c) of the Transportation Code.

Next, we address your argument under section 552.108 of the Government Code for the remaining information. Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime...if... release of the information would

interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* § 552.301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to a pending criminal investigation and prosecution. Based on this representation and our review, we conclude that release of this information would interfere with the detection, investigation, or prosecution of a crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.— Houston [14th Dist.] 1975), writ ref’d n.r.e. per curiam, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Therefore, we find section 552.108(a)(1) of the Government Code is applicable to the remaining information.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See Houston Chronicle*, 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of basic information, the sheriff may withhold the remaining information from disclosure under section 552.108(a)(1).

In summary, the sheriff must release the CR-3 accident report pursuant to section 560.065(c) of the Transportation Code. Except for basic information, the sheriff may withhold the remaining information under section 552.108 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
