OR2010-13261

Dear Ms. Aguilar:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 392080.

The Corpus Christi Police Department (the "department") received a request for information pertaining to a specified incident involving the requestor. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information protected by other statutes, such as section 48.101 of the Human Resources Code. Section 48.101 provides in relevant part:

(a) The following information is confidential and not subject to disclosure under [the Act]:

- (1) a report of abuse, neglect, or exploitation made under this chapter;
- (2) the identity of the person making the report; and

(3) except as provided by this section, all files, reports, records, communications, and working papers used or developed in an investigation made under this chapter or in providing services as a result of an investigation.

(b) Confidential information may be disclosed only for a purpose consistent with this chapter and as provided by [the Texas Department of Family and Protective Services (the "DFPS")] or investigating state agency rule and applicable federal law.

Hum. Res. Code § 48.101. You state the submitted information is excepted from disclosure under section 48.101. The only entities authorized to conduct an investigation under chapter 48 of the Human Resources Code are the DFPS and certain other state agencies, depending on the circumstances surrounding the incident. *See id.* §§ 48.151, .152, .252, .301. Thus, reports made to a police department generally are not subject to section 48.101. The submitted information reflects it was created by the department pursuant to its own investigation into an alleged abuse. However, you inform us the report is being used in an investigation by the Adult Protective Services Division (the "division") of the DFPS under chapter 48 of the Human Resources Code. Further, the report reflects the division has an open case on the matter. Because the Legislature expressly made all information used by the division in its Chapter 48 investigation confidential, we agree the submitted information is confidential under section 48.101. *See id.* § 48.101(a)(3). Such information must not be released to the public, except for a purpose consistent with chapter 48 or as provided by the DFPS or investigating state agency rule or federal law. *See id.* § 48.101(b). *But see id.* § 48.101(c)-(f) (permitting release of confidential information in certain circumstances). You do not indicate, nor does it appear, an exception to confidentiality applies in this instance. Accordingly, we conclude the department must withhold the submitted report in its entirety pursuant to section 552.101 of the Government Code in conjunction with section 48.101 of the Human Resources Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
