OR2010-13467

Dear Ms. Aguilar:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 392492.

The Corpus Christi Police Department (the "department") received a request for information pertaining to a specified incident. You claim that the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses other statutes that make information confidential, such as section 58.007 of the Family Code. Juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997, are confidential under section 58.007, which provides in pertinent part as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

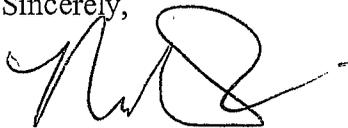

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). You claim that the submitted information is excepted from disclosure under section 58.007(c). Upon review, we agree that the submitted information pertains to a juvenile allegedly engaged in conduct indicating a need for supervision, so as to fall within the scope of section 58.007(c). *See id.* § 51.03(a) (defining “conduct indicating a need for supervision”); *see also id.* § 51.02(2) (defining “child” as a person who is ten years of age or older and under seventeen years of age at the time of the conduct). Thus, the submitted information is confidential and must be withheld under section 552.101 of the Government Code in conjunction with section 58.007(c) of the Family Code.¹
