

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

September 7, 2010

Ms. Kelley Messer
Assistant City Attorney
City of Abilene
P.O. Box 60
Abilene, Texas 79604-0060

OR2010-13545

Dear Ms. Messer:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 398006.

The City of Abilene (the "city") received a request for a medical report, incident number 08-0007467. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information made confidential by statute. Section 773.091 of the Health and Safety Code provides:

(b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

Health & Safety Code § 773.091(b). This confidentiality “does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.” *Id.* § 773.091(g). It does not appear that any of the exceptions to confidentiality set forth in section 773.092 of the Health and Safety Code apply in this instance. Accordingly, the city must withhold the medical report as EMS records under section 552.101 of the Government Code, except for information required to be released under section 773.091(g).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
