Mr. Charles H. Weir  
Assistant City Attorney  
City of San Antonio  
P.O. Box 839966  
San Antonio, Texas 78283-3966

OR2010-13549

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 392829 (ORR 2010-5995).

The City of San Antonio (the "city") received a request for all supplemental records pertaining to San Antonio Police Department (the "department") case number 08-0915420. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information contains CR-3 accident reports that appear to have been completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."<sup>1</sup> Gov't Code § 552.101. Section 552.101 encompasses information other statutes make confidential, such as section 550.065(b) of the Transportation Code, which states, except as provided by subsection (c) or (e), accident reports are privileged for the confidential use of certain specified entities. *See* Transp. Code § 550.065(b).

---

<sup>1</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, a governmental entity is required to release a copy of an accident report to a person who provides two or more pieces of information specified by the statute. *Id.* In this instance, the requestor has not provided the city with at least two of the three items of information specified by section 550.065(c)(4). Therefore, the city must withhold the submitted CR-3 accident reports, which we have marked, pursuant to section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information pertains to a pending criminal investigation being conducted by the department. Based on this representation and our review, we conclude the release of this information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

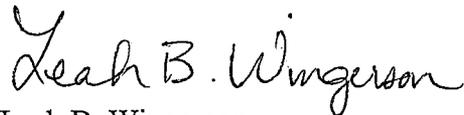

Section 552.108, however, does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*, and includes a detailed description of the offense. *See* 531 S.W.2d at 186-87; Open Records Decision No. 127 (summarizing types of information considered to be basic information). Thus, with the exception of basic information, the city may withhold the remaining information pertaining to case number 080915420 under section 552.108(a)(1) of the Government Code. We note you have the discretion to release all or part of this information that is not otherwise confidential by law. Gov’t Code § 552.007.

In summary, the city must withhold the marked CR-3 accident reports under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code. With the exception of basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
