Dear Mr. Metcalf:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 392945.

The City of Farmers Branch (the "city"), which you represent, received a request for report number 166438. You state you released basic information to the requestor. *See* Gov't Code § 552.108(c) (basic information about an arrested person, and arrest, or a crime is not excepted under section 552.108); *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). You claim the submitted report is excepted from disclosure under sections 552.101, 552.103, 552.108, 552.117, 552.130, and 552.147 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.108(a)(2) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . it is information that deals with the detection, investigation, or prosecution of crime only in relation to an investigation that did not result in conviction or deferred adjudication[.]" *See* Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). You state the information at issue pertains to a criminal investigation of peace officers in which the

officers were "no billed" by the grand jury. Accordingly, with the exception of basic information, which you state the city has released, report number 166438 may be withheld under section 552.108(a)(2) of the Government Code.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
