Assistant City Attorney

Dear Ms. Villarreal:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID#393344 (City of Waco Ref. #LGL-10-889).

The Waco Police Department (the "department") received a request for information pertaining to a specified incident. You have provided some of the responsive information to the requestor. You claim that portions of the submitted information are excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes. You contend that the information you have marked in the submitted CAD record is excepted from disclosure under section 552.101 in conjunction with section 772.318 of the Health and Safety Code. Chapter 772 of the Health and Safety Code relates to local emergency communications districts. Section 772.318 applies to an emergency 9-1-1 district established in accordance with chapter 772, and makes confidential the originating telephone numbers and addresses of 9-1-1 callers that are furnished by a service supplier. *See* Open Records Decision No. 649 (1996). We understand the City of Waco to be part of an emergency communication district that was established under section 772.318.¹ We have

marked a telephone number and address under section 772.318. To the extent the telephone number and address we have marked are the originating telephone number and address supplied by a 9-1-1 service supplier, this information must be withheld under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code. However, to the extent the information we have marked was not supplied by a 9-1-1 service supplier, section 772.318 is not applicable to this information, and it must be released to the requestor. You have marked an additional telephone number, which is the contact number for a witness. As this is not an originating address or telephone number of a 9-1-1 caller, this number may not be withheld under section 552.101 of the Government Code in conjunction with chapter 772 of the Health and Safety Code. As you raise no further exceptions to disclosure, the remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
