Mr. Martin L. Peterson
Assistant District Attorney
Dallas County District Attorney's Office
133 North Riverfront Boulevard, LB-19
Dallas, Texas 75207-4399

OR2010-14360

Dear Mr. Peterson:

~~You ask whether certain information is subject to required public disclosure under the~~
Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 394502.

The Dallas County District Attorney's Office (the "district attorney") received a request for information pertaining to a specified case. You claim the submitted information is excepted from disclosure under sections 552.101, 552.103, 552.108, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information includes the results of an analysis of a blood specimen. Section 724.018 of the Transportation Code provides that on the request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen must be made available to that person or the person's attorney. Transp. Code § 724.018. As a general rule, the exceptions to disclosure found in the Act do not apply to information that other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). In this instance, the requestor is the attorney of the person who provided the blood specimen at the request of a peace officer. Therefore, the submitted results of the analysis of the blood specimen must be released to this requestor pursuant to section 724.018 of the Transportation Code.

Next, we note that the information submitted as Packet L consists of a court document. Section 552.022(a)(17) of the Government Code provides for required public disclosure of "information that is also contained in a public court record," unless the information is expressly confidential under other law. Gov't Code § 552.022(a)(17). The document submitted as Packet L is subject to section 552.022(a)(17). Although you seek to withhold that document under sections 552.103 and 552.108 of the Government Code, those sections are discretionary exceptions to disclosure that protect a governmental body's interests and may be waived. *See id.* § 552.007; *Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov't Code § 552.103); Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 177 at 3 (1977) (statutory predecessor to Gov't Code § 552.108 subject to waiver). As such, sections 552.103 and 552.108 are not other law that makes information expressly confidential for the purposes of section 552.022(a)(17). Therefore, the court document in Packet L may not be withheld under section 552.103 or section 552.108 and must be released.

The submitted information also includes an accident report form that was completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information that other statutes make confidential. Section 550.065(b) of the Transportation Code states that except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *See id.* § 550.065. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three items of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *See id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has not provided the district attorney with two of the required pieces of information. Thus, the district attorney must withhold the accident report form in Packet K under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code.

Section 552.108 of the Government Code provides in part:

(a) Information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted from [required public disclosure] if:

...

(4) it is information that:

(A) is prepared by an attorney representing the state in anticipation of or in the course of preparing for criminal litigation; or

(B) represents the mental impressions or legal reasoning of an attorney representing the state.

Gov't Code § 552.108(a)(4). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). In *Curry v. Walker*, 873 S.W.2d 379 (Tex. 1994), the Texas Supreme Court held that a request for a district attorney's "entire litigation file" was "too broad" and, quoting *National Union Fire Insurance Co. v. Valdez*, 863 S.W.2d 458 (Tex. 1993, orig. proceeding), held that "the decision as to what to include in [the file] necessarily reveals the attorney's thought processes concerning the prosecution or defense of the case." *Curry*, 873 S.W.2d at 380. The present request seeks all information pertaining to a specified case. You assert the instant request is for the entire prosecution file. You assert that release of the remaining information would reveal the mental impressions or legal reasoning of prosecutors in the district attorney's office. Based on your representations and our review, we conclude that section 552.108(a)(4) is generally applicable to the remaining information.

We note that section 552.108 does not except from disclosure "basic information about an arrested person, an arrest, or a crime." Gov't Code § 552.108(c). Section 552.108(c) refers to the basic front-page information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). The district attorney must release basic information, including a detailed description of the offense, even if the information does not literally appear on the front page of an offense or arrest report. *See* Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Accordingly, with the exception of basic information, the district attorney may withhold the remaining information under section 552.108(a)(4) of the Government Code and the court's ruling in *Curry*.¹

In summary, the district attorney must release the submitted results of the analysis of the blood specimen to this requestor pursuant to section 724.018 of the Transportation Code. The court document in Packet L must be released pursuant to section 552.022(a)(17) of the Government Code. The district attorney must withhold the accident report form in Packet K under section 552.101 of the Government Code in conjunction with section 550.065(b) of

¹As our ruling is dispositive, we need not address your remaining arguments against disclosure, except to note that basic information held to be public in *Houston Chronicle* is generally not excepted from public disclosure under section 552.103 of the Government Code. Open Records Decision No. 597 (1991).

the Transportation Code. With the exception of basic information, the district attorney may withhold the remaining information under section 552.108(a)(4) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
