

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

September 23, 2010

Mr. John D. Lestock
Assistant City Attorney
City of Paris
P.O. Box 9037
Paris, Texas 75461

OR2010-14470

Dear Mr. Lestock:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 394679.

The Paris Police Department (the "department") received a request for information pertaining to a specified arrest of a named individual. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate that the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e) (governmental body must provide comments explaining why exceptions raised should apply to information requested). You state, and the submitted information reflects, that the case pertaining to the specified incident was dismissed, and therefore, did not result in conviction or deferred adjudication. Thus, based on your representations and our review, we conclude that section 552.108(a)(2) is applicable to the submitted information.

In this instance, however, the requestor is an investigator with the Texas State Board of Pharmacy (the "board"). Section 411.122(a) of the Government Code provides that

an agency of this state listed in Subsection (d) . . . that licenses or regulates members of a particular trade, occupation, business, vocation, or profession is entitled to obtain from the [Department of Public Safety] criminal history record information maintained by the [Department of Public Safety] that relates to a person who: (1) is an applicant for a license from the agency; (2) is the holder of a license from the agency; or (3) requests a determination of eligibility for a license from the agency.

Id. § 411.122(a). We note that the board is specifically subject to section 411.122 of the Government Code. *See id.* § 411.122(d)(14). In addition, section 411.087(a) of the Government Code provides in pertinent part:

(a) A person, agency, department, political subdivision, or other entity that is authorized by this subchapter to obtain from the [Department of Public Safety] criminal history record information maintained by the [Department of Public Safety] that relates to another person is authorized to:

...

(2) obtain from any other criminal justice agency in this state criminal history record information maintained by that criminal justice agency that relates to that person.

Id. § 411.087(a)(2). "Criminal history record information" ("CHRI") is defined as "information collected about a person by a criminal justice agency that consists of identifiable descriptions and notations of arrests, detentions, indictments, informations, and other formal criminal charges and their dispositions." *See id.* § 411.082(2). In this instance, the submitted information contains CHRI.

The board indicates that the arrestee in the case at issue is a holder of a license from the board. Accordingly, the board is authorized to obtain that individual's CHRI in the submitted information pursuant to section 411.087(a)(2) of the Government Code. *See id.* §§ 411.087(a)(2), .122(a). Consequently, CHRI pertaining to this individual in the submitted information must be released to the requestor. *See Open Records Decision No. 451 (1986)* (specific statutory right of access provisions overcome general exceptions to disclosure under the Act).

Additionally, section 552.108 does not except from disclosure "basic information about an arrested person, an arrest, or a crime." Gov't Code § 552.108(c). Section 552.108(c) refers to the basic front-page information held to be public in *Houston Chronicle Publ'g Co. v. City*

of Houston, 531 S.W.2d 177 at 186-88 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). See Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of CHRI pertaining to the board license-holder and basic information, which must be released, the department may withhold the submitted information under section 552.108(a)(2).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
