Dear Ms. McCollom:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 395859.

The Lancaster Independent School District (the "district"), which you represent, received a request for the audio recording and stenographer report for a specified hearing. You claim that the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.103 of the Government Code provides in relevant part as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated

on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). The purpose of section 552.103 is to enable a governmental body to protect its position in litigation by forcing parties to obtain information relating to litigation through discovery procedures. *See* Open Records Decision No. 551 at 4-5 (1990). A governmental body has the burden of providing relevant facts and documents to show that the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation was pending or reasonably anticipated on the date that the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Thomas v. Cornyn*, 71 S.W.3d 473, 487 (Tex. App.—Austin 2002, no pet.); *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, no pet.); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); ORD 551 at 4. A governmental body must meet both prongs of this test for information to be excepted from disclosure under section 552.103(a).

You state, and have provided documentation showing, that prior to the district's receipt of the request, a lawsuit styled *Harold B. Cornish v. Lancaster Independent School District*, Case No. 3:10-CV-0797-D, was filed and is currently pending in the United States District Court for the Northern District of Texas, Dallas Division. Therefore, we agree that litigation was pending on the date the district received the present request for information. Upon review, we find the submitted information is related to the lawsuit pending before the court. Accordingly, based on your representations and our review, we conclude the submitted information may be withheld under section 552.103 of the Government Code.

We note, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. *See* Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to the opposing parties in the pending litigation is not excepted from disclosure under section 552.103(a), and must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has concluded. *See* Attorney General Opinion MW-575 (1982); *see also* Open Records Decision No. 350 (1982).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
