Dear Mr. Meador:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 396032 (DSHS File No. 17748-2010).

The Texas Department of State Health Services (the "department") received a request for all information regarding a specified complaint. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

We note that the submitted information is information held by the department that is made confidential by section 605.2021(h) of the Occupations Code. In Open Records Letter No. 2010-13272 (2010), we issued a previous determination that authorizes the department to withhold under section 552.101 of the Government Code information held by the department that is made confidential by section 605.2021(h) of the Occupations Code, unless the exceptions to confidentiality listed in section 605.2021(h) are applicable or section 605.2021(i) applies, without the necessity of again requesting an attorney general decision with regard to the applicability of this exception. *See* Gov't Code § 552.301(a); Open Records Decision No. 673 at 7-8 (2001) (delineating elements of second type of previous determination under section 552.301(a)); *see also* Occ. Code § 605.2021(h), (i). You indicate the submitted information does not contain any of the types of information listed in section 605.2021(h), and there is no indication section 605.2021(i) is applicable in this instance. Therefore, pursuant to Open Records Letter No. 2010-13272, the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 605.2021(h) of the Occupations Code. *See* ORD No. 673.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
