

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

October 12, 2010

Ms. Angela M. DeLuca
Assistant City Attorney
City of Bryan
P.O. Box 1000
Bryan, Texas 77805

OR2010-15531

Dear Ms. DeLuca:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 396952.

The City of Bryan (the "city") received a request for all MDT logs, records, communications, and dispatch call slips pertaining to a specified offense report. You state you have released some of the requested information. You claim that the remaining information is excepted from disclosure under sections 552.101, 552.103, and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by any proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See Open Records Decision No. 474 at 4-5 (1987)*. You have provided a representation from the Brazos County District Attorney's Office stating the

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See Open Records Decision Nos. 499 (1988), 497 (1988)*. This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

information at issue relates to a pending prosecution by that office and that release of this information at this time would interfere with the prosecution. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e.*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Based on these representations, we conclude section 552.108(a)(1) is applicable to the submitted information.

Basic information about an arrested person, an arrest, or a crime is not excepted from disclosure under section 552.108. Gov't Code § 552.108(c). Such basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-8; *see also* Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). We note the responsive information includes a CAD report. In Open Records Decision No. 649 (1996), this office concluded that information contained in a CAD report is substantially the same as basic information and thus is not excepted from public disclosure under section 552.108. *See* ORD 649 at 3; *see also* Open Records Decision No. 394 at 3 (1983) (no qualitative difference between information contained in radio cards or radio logs and front-page offense report information expressly held to be public in *Houston Chronicle*). Therefore, with the exception of basic information, the city may withhold the submitted information under section 552.108(a)(1) of the Government Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Kate Hartfield
Assistant Attorney General

²As our ruling is dispositive, we do not address your remaining arguments, except to note that basic information held to be public in *Houston Chronicle* is generally not excepted from public disclosure under section 552.103 of the Government Code. *See* Open Records Decision No. 597 (1991).
